Champion

**1 Thessalonians 5:18** In everything give thanks: for this is the will of GOD in Christ Jesus concerning you

Special thanks to: **Grandma**, for the new trailer and your support. **Mom** for the late nights, early mornings, and long days in between. None of this would be possible without you both. **Glenda Bales** for giving me the confidence to achieve my goals. I appreciate your help, encouragement, and most importantly, friendship. **Larry, Randy, Trudi, Molly, Jim, Tammie** and everyone else who carried a saddle or groomed for me in Ideal classes. I literally couldn't have done it without you! **Heather Ashley** for letting me ride "her" horse! Good luck with Nick (anytime you want to trade...) The OPTH members who made us feel like part of their families this past year. We've belonged to several organizations but this one is the best. It's so easy to get caught up in trying to win and forget what's really important in life. In the end it doesn't matter how many points or buckles you have won, it's the friendships you make along the way. We consider ourselves very blessed to have met so many wonderful people while showing horses. Congratulations to everyone who achieved their goals this year and good luck in 2004. **GOD BLESS!**
